## Annual Golf Outing:

The Willard Area Chamber Golf Outing for Scholarships will take place this year on July 21<sup>st</sup>. ## Thanks for Your Support:

The Car Show, Flea Market, and City Auction were successful, even though the rain eventually came. The downtown area on June 5<sup>th</sup> was filling up fast with flea market goers, car enthusiasts, and shoppers.

As the crowd kept coming, excitement seemed to become contagious. Many commented on how excited they were to have an event like this in downtown Willard. Also, the comment was made several times that this event needs to continue every year and that more events need to be planned.

As far as the businesses in the area, people came and shopped! Many businesses said that they were continually busy that day. One business had to close early on Saturday because they ran out of product!

I can't thank **Sharpnack II** and all who worked so hard to make this event successful. Many people came out and enjoyed themselves and spent money, which were the two main goals. Also as people came in to Willard, I hope they noticed that Willard has a lot of places to shop throughout our community. Thanks to "**Landscaping by Sonja**" (419-706-9072) for planting flowers and landscaping the downtown for this event!

I recently spoke for the Willard Rotary, and the message I shared with them I leave with you: **Speak of the positive things that are going on in Willard because your words are powerful!**
