Our Community Working Together:

The Willard Area Chamber of Commerce and its sub-committee, the Downtown Business Association (DBA), have been working together along with the Downtown Revitalization Project, to try and find ways to bring people from outside our community to Willard. If we can find new events that will attract visitors, they are more likely to see our area businesses and spend money locally. A new event this year has been planned in order to try and reach this goal.

The new event will be the "*Cruisin Willard*" sponsored by **Sharpnack II Chevrolet** who we thank greatly for sponsoring. This event will take place on June 5th starting at 10 AM on the newly paved Downtown Myrtle Ave. Registration is only \$10 if pre-registered or \$15 the day of. Please let me know if you or anyone else needs an application. There will be many awards, music, t-shirts, games, and door prizes! Many thanks to all the businesses who have donated door prizes and donations are still much appreciated.

The great thing about June 5th is that there will be other events taking place downtown. The Flea Market will be taking place from 9

AM till 3 PM. 8x16 spaces are available for \$10. Applications are available at City Hall.

The City Auction will take place at the **FORMER** City Hall at 10 AM on June 5th.

Festival in the Park:

Please remember to come and enjoy and/or participate in Pet Day (July 1), Chamber Day (July 2), Fireworks (July 2), Flea Market (July 3), and the Parade (July 3). I have applications available for everything; just let me know what you need.

Annual Golf Outing:

The Willard Area Chamber Golf Outing for Scholarships will take place this year on July 21st. Every year the Chamber gives out two scholarships to Willard Students on behalf of Willard Businesses. This is only possible because of your participation. The students are always very excited and very appreciative when selected. We hope to see you out on the green this year! Applications will be available in about two weeks.
