President's Corner:

A big thanks to all those who helped make the Chamber Golf outing a success. The weather was hot but nice, the food was great, and everyone had a lot of fun. Willard Healthcare won for the 2nd year in a row and the City of Willard took 2nd place.

The Annual Hispanic Heritage Festival and the Annual Fall Market with Willard Train Day will be here before we know it. Please continue to support these events with your attendance so that we can continue to show strong business and community support.

I am privileged to be Chamber President because I believe in your business and our community. Have a great summer!

Smile, Linda Walton, Willard Chamber of Commerce, President

From the Director:

The 23rd Annual Golf Outing for Scholarships took place on July 20th. Thanks so much to all the teams and sponsors for...

...making the event a success. Next year scholarships will be awarded to Willard students with the money raised from this golf outing.

The Willard Memorial Library hosted a fun event recently with Neil Zurcher from "One Tank Trips" speaking. The library is always looking for free and exciting events for the family. Please remember to check out their website for a list of events coming up in the near future.

If you have fliers that you would like to have shared with other Chamber members, please let me know. The fliers go out to over 140 businesses, over 220 people, and are posted in many areas. This is a great way to share your events with others who believe in Willard business and our community. Please continue to help our members by supporting those whom send out fliers through the Chamber. I have received a lot of positive feedback from businesses who use this service and that is what the Chamber is all about: "Promoting Local Business."
