The City of Blossoms

President's Corner:

I want to thank everyone who participated in and came to support the Christmas Parade on what turned out to be a beautiful evening. The parade was well attended and would not be possible without the support of our Chamber businesses. Thanks again for ushering in this Christmas Season with a lot of excitement.

The Chamber is already busy working on the next big event, which is the 22nd Annual Chamber Banquet. The event will take place January 19, 2012 and will be held again at the Willard High School. It will be a fun and informative evening. Please make plans to attend so that our business community will continue to grow and work together.

Smile, Linda Walton, Willard Area Chamber of Commerce, President

From the Director:

Chamber Trustee Openings:

There will be several openings available this January for new Chamber Trustees, which most of the time does not require any...

... campaigning or competing against another. The typical term is three years and trustees meet once a month. The mission of the Trustees (Chamber) is to promote local businesses, create a local business network, and offer events to the community on behalf of local business. The board is a fun way to get involved in making business and our community better for everyone. Please let me know if you have any questions or would like further detail.

A Special Thanks:

A special thanks to our local Ohio State Agricultural Research and Development Center (also known as Muck Crops Branch) for taking beautiful care all year of our "Welcoming Signs" (club signs, church signs, etc.) at the entrance of Willard on the corner of SR 224 East and SR 103. The Chamber owns these "Welcoming Signs" and if you have any questions regarding them, please contact me.

New Ideas:

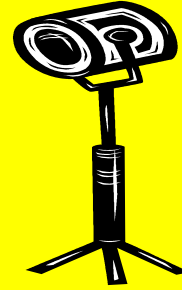

I thank you all for supporting the Chamber. It is amazing how much of an impact our Chamber makes on our community and that's only possible because of your support. Let's keep working together to take Willard to the next level! I welcome your calls/emails so please contact me so that we can work together.

1979 as Danhoff Realty by Harold Danhoff and Les Seward and became a CENTURY 21 franchise in 1982. Don Danhoff was sole owner between '87 and '97.

3) How long have you been a Chamber Member?

Ever since I have been owner ('87). Also, I am pretty sure Harold and Les were always loyal and supportive of the local business community.

4) What product/service do you offer?

Exposing listings is one of the most important areas in real estate and no one will give your listing more exposure than CENTURY 21 Danhoff-Donnamiller Realty. "We don't just show your home, we show it off."

Updated recently is Window Vision in the front window of the office. This system allows potential buyers to view listings in slide show form- offering interior & exterior photos- while listening to a description of the properties.

The office's electronic message sign is highly visible from both Myrtle Avenue and US 224.

CENTURY 21 Danhoff-Donnamiller Realty is a member of the Firelands Board of Realtors and many of our agents are also members of the Mansfield Board of Realtors.

These facts, along with the many, many years of experience that our Realtors® have in the real estate business, make the choice clear: CENTURY 21 Danhoff-Donnamiller Realty will offer you more exposure and experience than the competition.

For our buyers, we pledge to listen to their needs and wants and to match them to the home they are interested in.
